YEEES PhD Research Stay Call 2019

YEEES

Yields of Evocative Entrepreneurial Approaches on Environment and Society

Apply now for the PhD research stay grant

The inter- and transdisciplinary project YEEES is looking for PhD candidates interested in a research stay in one of our [partner countries](#): Germany, Mozambique, Namibia or South Africa (pls check our [Partner Universities](#)).

Our project especially elaborates on the resilience of cities/ peri-urban areas and entrepreneurship, while focusing challenges in various areas, e.g. agriculture, education, health and transport/mobility.

Are you interested in conducting research in another country for one or two months in one of the following [areas](#)? Be part of our project by applying for our PhD Research Stay.

Please be aware that you have to be registered as a PhD Student/Candidate at a University in one of the following countries: Germany, Mozambique, Namibia or South Africa.

Deadline for application: September 20th 2019
