March 9th to March 11th, 2016

RWTH Aachen University

We are pleased to announce that the Colloquium on Personnel Economics, COPE (formerly POEK) is now open for your abstract submission! The Colloquium on Personnel Economics provides a forum for presenting research in all areas of personnel economics – theoretical, empirical and experimental. Young scientists in particular have the opportunity to present and discuss their academic works, concepts and new discoveries among peers and more experienced scholars.

Our keynote speaker will be Marie Claire Villeval of GATE Lyon Saint-Etienne.

Researchers interested in presenting at the Colloquium are invited to submit an extended abstract (2-4 pages including title and research question along with a summary of methods and results) of their papers until October 30th, 2015 to the following e-mail address: cope2016@rwth-aachen.de. The proposals will then be reviewed by the scientific committee of the Colloquium and authors will be informed of their acceptance by December 21th, 2015. In case of acceptance a full paper has to be provided by February 10th, 2016, at the latest.

Further information will be made available on www.cope2016.rwth-aachen.de.

If you know researchers who might be interested in presenting please spread the word.

Best regards on behalf of the scientific committee,

Christine Harbring & Christian Grund (local organizers)
